The Kite Fold

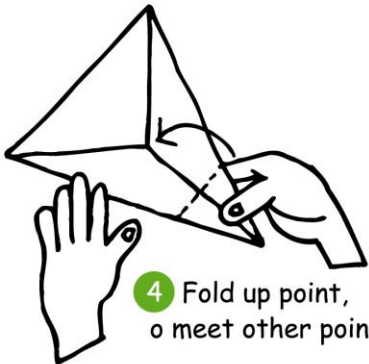

1 Start with a Square.
Imagine a line from
one corner to the other.
Fold right flap in.

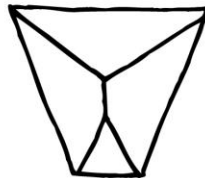

2 Fold over corner
to meet other triangle.

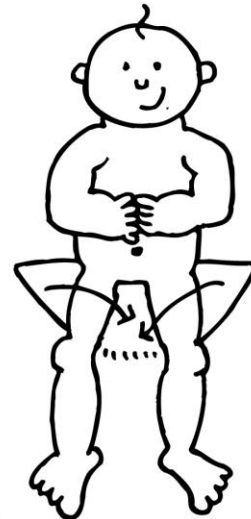

3 Fold over small triangle.

4 Fold up point,
to meet other point.

5 Add a liner.
Now you have a cup-like
shape nappy ready for baby.

6 Lift up bottom flap,
And pull in side flaps firmly.
Nippa and then fasten your wrap.
